Kelly, I spoke with Guy about NMED. While he will be calling Liz Kuehn today, he said that she wants to speak with HQ. SO if you can give her a call that would be great.

Who are you talking to in NM?
We got a call from Elizabeth Bisbey-Kuehn, the Bureau Chief of NM DAQ.

Is that who you are taking to?

We will call her back but do t want to get in your way.
